We are committed to protecting the personal information of children, young people, families, staff and school partners, and to meeting our responsibilities under the UK GDPR and the Data Protection Act 2018, as amended.

ICO Certificate number

Security number: CSN6925240

Our data protection commitments

Lawful and transparent use. We will use personal information for clear, legitimate purposes and explain how it is used. Health and other special category information requires an appropriate additional legal condition as well as a lawful basis.

Relevant and accurate records. We will collect only the information needed, take reasonable steps to keep it accurate, and retain it only for as long as necessary before secure disposal.

Security and confidentiality. We will apply appropriate technical and organisational safeguards to protect information against unauthorised access, loss or misuse, restricting access to those who need it for their role.

Responsible information sharing. We will share information only where there is a lawful reason and limit disclosure to what is necessary. Confidentiality may need to be limited where information must be shared to safeguard a child or meet a legal obligation.

Rights and accountability. We will respect applicable data protection rights, respond to requests and concerns, and assess and manage data breaches, including notifications where legally required.
